

# **APPENDIX 16 – COVID-19 school closure arrangements for Safeguarding and Child Protection at Sandford Hill Primary**

Policy owner: Mrs M. Allen/Mr D. Wardle

Date: 12.04.20

Date shared with staff: 21.04.20

## **Context**

From 20<sup>th</sup> March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend. Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home. This addendum of the Sandford Hill Primary School Child Protection Policy and Procedures, contains details of our individual safeguarding arrangements in the following areas:

- |   |        |
|---|--------|
| <b>1. Key contacts</b>  | Page 2 |
| <b>2. Vulnerable children</b>                                     | Page 2 |
| <b>3. Attendance monitoring</b>                                   | Page 2 |
| <b>4. Designated Safeguarding Lead</b>                            | Page 3 |
| <b>5. Reporting a concern</b>                                     | Page 3 |
| <b>6. Safeguarding Training and induction</b>                     | Page 3 |
| <b>7. Safer recruitment/volunteers and movement of staff</b>      | Page 4 |
| <b>8. Online safety in schools and colleges</b>                   | Page 4 |
| <b>9. Children and online safety away from school and college</b> | Page 4 |

| <b>12. Peer on Peer Abuse</b>                                     | Page 5 |

## **1. Key contacts**

Designated Safeguarding Lead  
Mrs. M. Allen  
01782 235518/01782 235781

Deputy Designated Safeguarding Lead  
Mrs M. Brennan  
07947104540

Headteacher  
Mr. D. Wardle  
01782 235518/01782 235781

Chair of Governors - Mr. C. Austin

Safeguarding Governor – Mrs A. Jackson

## **2. Vulnerable children**

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans. Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989. Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home. Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead, Deputy Safeguarding Lead and Headteacher know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support. However, all vulnerable children who do not meet the criteria of receiving social care support, but have been identified by Safeguarding staff, will regularly be contacted by school to ensure that they receive the appropriate support. We will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be Mrs. Allen. Stoke-on-Trent City Council have RAG rated all of the vulnerable children in order to ensure the correct support is available for all vulnerable children. This is regularly updated and school will work with allocated social workers to make decisions about the appropriate placement for each child on an individual basis.

Where parents are concerned about the risk of the child contracting COVID19, school senior leaders or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England. We will encourage our vulnerable children and young people to attend school and will contact regularly those who do not attend.

## **3. Attendance monitoring**

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance. Together with social workers we will agree with parents/carers whether children in need should

be attending school. A register is taken daily to ensure the children expected to attend have attended. We will follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

To support the above, when communicating with parents/carers, we will confirm emergency contact numbers are correct and ask for any additional emergency contact numbers, where they are available. In all circumstances where a vulnerable child does not take up their place at school, or discontinues, we will notify their social worker

#### **4. Designated Safeguarding Lead**

- The Designated Safeguarding Lead is Mrs. M Allen
- The Deputy Designated Safeguarding Lead is Mrs. M Brennan
- Deputy Safeguarding Lead/Headteacher is Mr. D Wardle

One of the named people above will be available at all times, either on site or via telephone. However, if they are unavailable there will also be Mrs. S Martin (Assistant Headteacher) on site resuming responsibility for co-ordinating safeguarding on site. This might include updating and managing access to Child Protection Online Management System, CPOMS and liaising with the offsite DSL (or deputy) and, as required, liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college. All staff on site will be made aware of the safeguarding person on duty and how to contact them. The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

#### **5. Reporting a concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school safeguarding policy, this includes making a report via CPOMS, which can be done remotely. In the unlikely event that a member of staff cannot access their CPOMS from home, they should email the Designated Safeguarding Lead and the Headteacher. This will ensure that the concern is received. Staff are reminded of the need to report any concern immediately and without delay. Where staff are concerned about an adult working with children in the school, they report the concern to the headteacher. If there is a requirement to make a notification to the Headteacher whilst away from school, this should be done verbally and followed up with an email to the Headteacher. Concerns around the Headteacher should be directed to the Chair of Governors, Mr. C. Austin.

#### **6. Safeguarding Training and induction**

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus. All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter school, they will continue to be provided with a safeguarding induction. If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:

- the individual has been subject to an enhanced DBS and children's barred list check;
- there are no known concerns about the individual's suitability to work with children;
- there is no ongoing disciplinary investigation relating to that individual.

Upon arrival, they will be given a copy of the Child Protection Policy and Procedures, confirmation of local processes and confirmation of DSL arrangements.

## **7. Safer recruitment/volunteers and movement of staff**

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, we will continue to follow the relevant safer recruitment processes for our setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimize the need for face-to-face contact. Where we are utilizing volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity. We will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE. We will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk)

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, we will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

## **8. Online safety in schools**

We will continue to provide a safe environment, including online. This includes the use of an online filtering system. Where students are using computers in school, appropriate supervision will be in place.

## **9. Children and online safety away from school**

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

We will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only;
- Staff and children must wear suitable clothing, as should anyone else in the household;
- Any computers used should be in appropriate areas, for example, not in bedrooms and the background should be blurred;
- The live class should be recorded so that if any issues were to arise, the video can be reviewed;
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day;
- Language must be professional and appropriate, including any family members in the background;
- Staff should record, the length, time, date and attendance of any sessions held.

## **10. Supporting children not in school**

Sandford Hill Primary School is committed to ensuring the safety and wellbeing of all its Children and Young people. Where the DSL and senior leads have identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, there is a robust communication plan in place for that child or young person. All contact will be recorded on CPOMS. The communication plans can include; remote contact, phone contact, door-step visits. Other individualized contact methods should be considered and recorded. We will work closely with all stakeholders to maximize

the effectiveness of any communication plan. This plan is reviewed regularly by the DSL, Deputy DSL and SLT, and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages. We recognize that school is a protective factor for children and young people, and the current circumstances can affect the mental health of pupils and their parents/carers. Teachers at school need to be aware of this in setting expectations of pupils' work where they are at home.

We will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

## **11. Supporting children in school**

Sandford Hill Primary School is committed to ensuring the safety and wellbeing of all its pupils. We will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximize safety. We will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19. We will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

## **12. Peer on Peer Abuse**

Sandford Hill Primary School recognizes that during the closure a revised process may be required for managing any report of such abuse and supporting victims. Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy. The school will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person. Concerns and actions will be recorded on CPOMS and appropriate referrals made.
