Amazing Archie's Food Fiesta!

A huge well done to Archie F who, on Tuesday, represented the school in the annual school's 'Young Chef Of The Year' competition at Foxes Bank Farm in Nantwich. Alfie's recipe was 'Hill Chicken Wraps'; a combination of spicy chicken wraps with couscous, topped with coriander. It was extremely well liked by the judges, so much so that he has made it to today's final!

HOT OFF THE PRESS - Archie won! This morning Archie met with the finalists from the other heats, to see who was awarded the overall winner ... and it was him. He was presented with his award by the Lord Mayor and was supported by his mum, dad and Mrs Carney. As well as his chef's outfit and engraved chopping board, he has also won £1,000 worth of cooking equipment, which will be ideal for our new technology room.

Any donations for the Bethal Church Food Bank in Longton are still gratefully being accepted in the school entrance. Please speak to Mrs Brennan for information.

St. Patrick's Day Assembly

HUGE congratulations to all of the girls and boys from Mrs Smith's class, for leading our Saint Patrick's Day assembly yesterday morning. They shared with us a little about Irish culture. We loved hearing about the leprechauns and their pot of gold, which MAY be at the end of the rainbow! You were all fantastic children and we're very proud of you all!

Many thanks also to all the family members and friends who joined us for the assembly. Your support is very much appreciated and we do hope you enjoyed it!

Hair loss for charity!

Well done to Olivia M who recently took the brave step of having her long hair cut into a very stylish bob, in order to donate her hair to the Princess Trust. A very generous gesture Olivia, but what a stunning look you now have and I am sure the Princess Trust are very grateful as someone else can now benefit from your hair.

John Muir Project

Well done to all the children who take part in the twice weekly John Muir project. Even when it is wet and muddy down in the woods lots of hard work is put in to clearing more of the weeds and brambles from what will be our new pathway. Also each session they carry out some litter picking and this is making such a difference. Thank you so much to all of you, It really is looking fantastic and we can't wait for the path to start going down!
