## *Well done to our Early Years and KS1 superstars!*

This week I have been privileged to watch our Reception and Y2 classes perform their assemblies as part of our end of term celebrations. The Reception classes told us about how to care for God's creatures, specifically minibests. Our Y2 children performed their Alice in Wonderland dances and acted out the Mad Hatters Tea Party. They also played the White Rabbit song on their recorders. They were both very special assemblies and the children all did themselves and their teachers proud.

As part of the assemblies we also presented our Book Prizes Awards. We would like to be able to give prizes to all our children, as they are all superstars to us. Our prizewinners are selected as those children that have shown particular improvements, great commitment or a really positive attitude in an aspect of school life; and always, of living up to our motto, 'Thoughtfulness and Respect'.

## Sandford Hill Primary News

### Y1/2 trip to Reaseheath Farm and Zoo

This Monday, our Y2/1 class had a brilliant visit for their animal topic. In the morning they were taken to see the zoo animals and insects with Reaseheath guides giving the children lots of information. Then in the afternoon they went to the farm and learned all about the dairy process. What an amazing time they all had.

### Y5 Outdoor Science Day

On Wednesday our Y5 children have had a Science filled day with a range of activities including: making bat and bird boxes, learning about herbs, making butter, pond dipping and a lunch made using the firepit. We do hope the children enjoyed the day and learned lots of new skills. Thanks to Mrs Carney for organising it all and the parents/carers for joining us at the end of the day.
