

## Reception All About the Seaside

Please send photos of your child's work to the class teachers using these emails.

### Monday

This week we are thinking all about going to the beach and summer fun.

Share the story; 'To the Beach' by Linda Ashman

<https://www.youtube.com/watch?v=VT6pOLAGhEE>

Can you draw and colour 5 things that the family forgot and went back home to fetch?

Have you ever forgotten to pack anything when going to the beach?

### Tuesday

In the summer it is very important to be safe in the sun.

Watch you tube video – Stay safe be Sun Wise.

<https://www.youtube.com/watch?v=wsDUuav21xg>

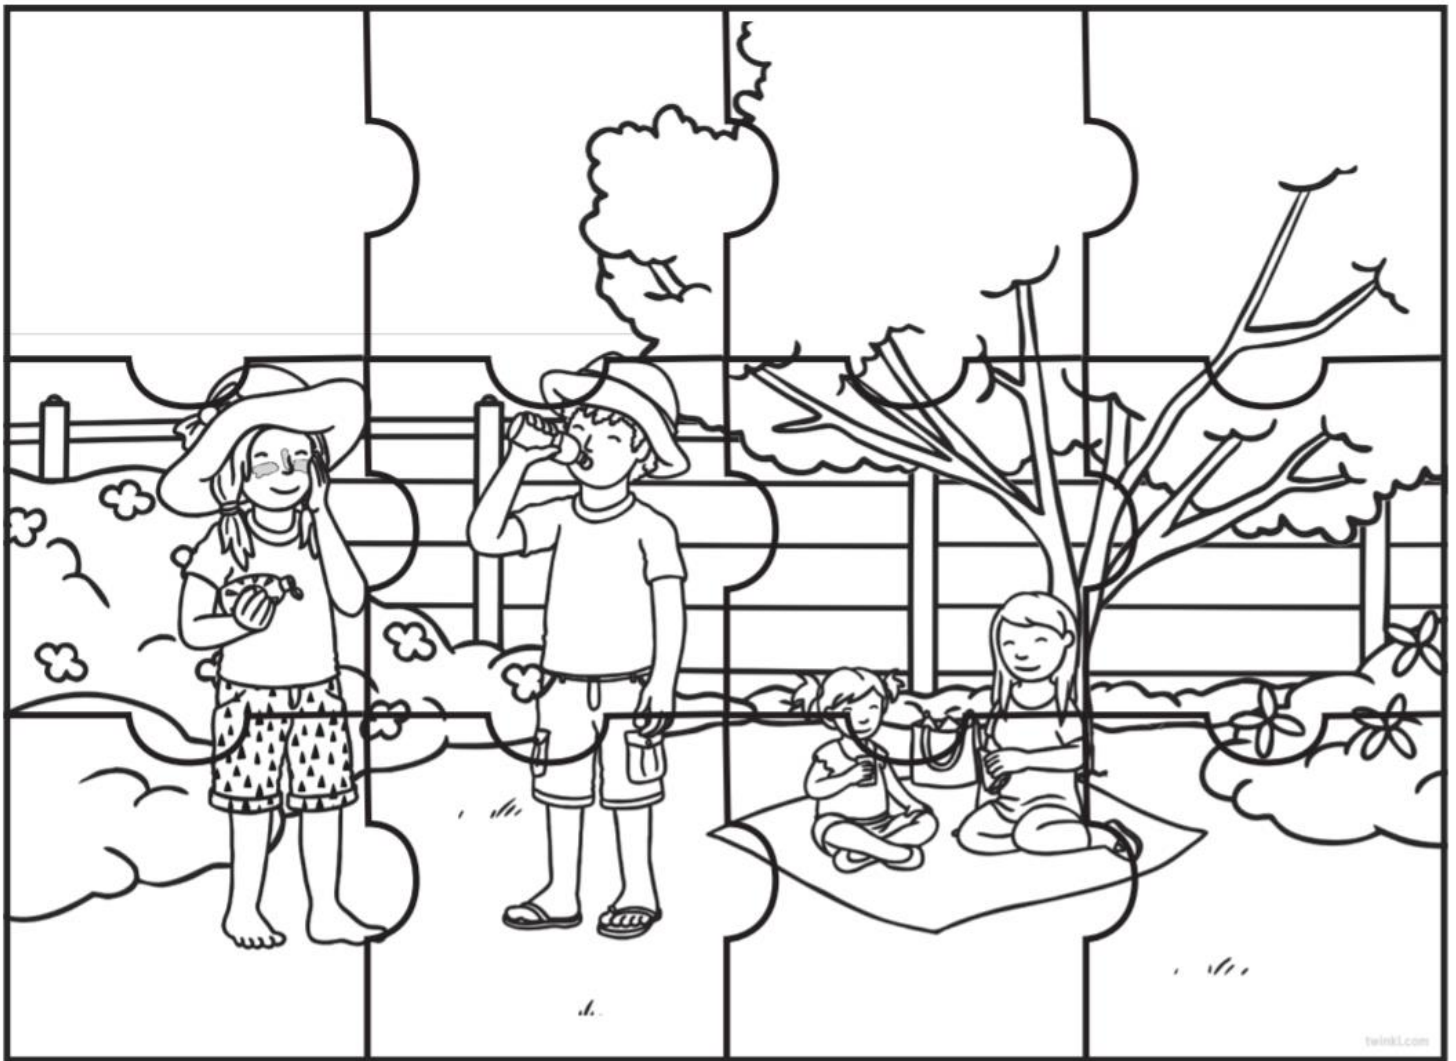

What did you find out?

What might we do to protect ourselves? e.g. wear a sun hat and sunglasses, put sun cream on, drinks lots of water, stay in the shade.

What could happen if we don't do these things? e.g. the sun will burn our skin and could damage our eyes.

Can you make a Sun Wise poster?

Can you colour and make the sun safety jigsaw puzzle?

### Wednesday

Today we are finding out about animals that live in the sea.

Share the video using the link below.

<https://www.youtube.com/watch?v=kC0oIZPMAPc>

Ask your child to choose their favourite sea creature. What information can you find out about them? Draw a picture and write a sentence about what you have found out.

### Thursday

You need your super spotting eyes today to help with your counting!

Have a look at the picture and see if you can complete the number sentences.

Count the number of each type of sea creature needed in the addition number sentence to help you find how many there are altogether.

 $\square + \img alt="Shark" data-bbox="415 155 545 200"/> \square = \square$

 $\square + \img alt="Dolphin" data-bbox="415 268 545 360"/> \square = \square$

 $\square + \img alt="Fish" data-bbox="415 435 545 475"/> \square = \square$

 $\square + \img alt="Shark" data-bbox="415 572 545 612"/> \square = \square$

 $\square + \img alt="Jellyfish" data-bbox="455 685 505 775"/> \square = \square$

Can you make up two subtraction number sentences of your own?

Friday

Thinking of everything we have been learning about this week can you make something about the beach, sun safety or a sea creature?

Here are some ideas.

What about a carrier bag kite?
