Working on plans

It has been fantastic to receive the super work and see other activities that children have been doing at home since we have all got back into learning routines after the half term break. It is also lovely too see the children that are coming into school coping so well with the new safety procedures.

Planning is underway for the next academic year, with new Nursery and Reception parents/carers being contacted about induction. We will share next year's class arrangements with you soon. However, at this point we are waiting on government guidance regarding plans for opening in September.

In addition to school planning, we are pleased to report that the building contractors have also been planning their return and are due to re-commence works next Monday 15th June. We are looking forward to changes finally happening now to:

- The 2 classroom block at the front of the school. (Looking forward to seeing this block with windows, doors and cladding all finished.)
- The new staffroom
- The refurbishment of the old staffroom for a leadership team office
- The change of the hall changing rooms into store rooms
- Hopefully, the demolition of the old mobile and preparations for the second of our 2 classroom blocks.

Headteacher's Star Awards

Health and Wellbeing

National Smile Month

As we are currently in National Smile Month, it can be useful to remember the importance of starting and maintaining good oral hygiene routines when the children are young.

Children should brush twice daily for around 2 minutes, supervised by an adult, to help minimise their risk of tooth decay. To support this, we should encourage children to drink plenty of water and engage with a healthy and balanced diet. You can find more information about National Smile Month by visiting the following link:

Home School Support

Whilst many of our families are at home with their children, our Home School Link Worker, Mrs Brennan, has continued to support our families. She may not always have the solution, but she can help to point you in the right direction to a service that can help, offering you confidential support whilst you manage the situation affecting your family. If you require her help, Mrs Brennan can be contacted
