The Builders are Back!

After a long break the building contractors returned to continue our building works this week and they are making fantastic progress. The windows have now gone into the new classroom block and electrics are being installed. Then the insulation, plasterboarding and exterior cladding to come. In school, they have almost finished the new staffroom which is looking very smart, so finally we should have a comfortable and big enough space for our staff to enjoy.

As well as the building contractors, we have also had workmen sorting the repairs following the lightning strike. The brickwork where the lightning hit is almost finished and all the internal problems it created with computers, phones and controls are mostly completed. The storm certainly did create a mass of issues, so lets hope this weekend's forecast storms pass us by without harm. Have a safe weekend.

Health and Wellbeing World Social Media Day

Whilst next week marks World Social Media Day, it is important to recognise the importance of staying safe online all year round. There are a range of resources to support this on our school website, however we would always encourage children to be supervised when using the internet and to follow our SMART rules. For more information on how you can promote e-safety, please visit the following link:

School Reports

Teachers are currently doing a final check on your child's school report

which you will receive during the last week of term.

Times Table Rockstar World Record Holder

We are super proud of all our children who are regularly practising and improving their knowledge of their times tables.

Times Tables Rockstars recently held a competition to find the highest score achieved in one minute. The winner was Nadub who now holds the GUINNESS WORLD RECORDS for scoring 196 correct answers in just 1 minute! Watch the video of him and be inspired to keep practising knowing just what is possible!

Home School Support

Mrs Brennan, our Home School Link Worker, continues to support our families whilst many children remain at home. She may not always have the solution, but she can help to point you in the right direction to a service that can help, offering you confidential support whilst you manage the situation affecting your family. If you require her help, Mrs Brennan can be contacted on 07947104540.
