Red Nose Day Fun

We hope you enjoy reading about some of the things we have helped with this term.
We would like to wish you all a very happy Easter and hope you all enjoy the break.

Pupil Voice

Hi my name is Isabelle. Myself and Brooke went to Year 4 and we did a presentation about what the children thought about playtimes and dinnertimes. We went through these questions:
Do you think behaviour is good at playtime?
What can the councillors do on the yard for you? They all answered the questions with good answers and there were no silly answers. Children thought that us going onto the yard would help.

We then worked out a rota and each day 4 councillors go onto the Year 4 yard. There have been fewer problems and pupils get to do more stuff because we make up games and play with them. The adults that are on the yard have been really pleased with how it is working and we love it too.

World Book Day

World Book Day is a day celebrated across the world. In our school this year, as school councillors, we each selected a class of our choice to share a book with. Students and even teachers enjoyed relaxing and listening to a book. Near enough every student loved it! Therefore, as school councillors, we were all extremely proud of ourselves! We were especially proud of the councillors who weren't as confident in themselves. Thank you for reading. Evie-Rose

The Easter bake sale was a huge success and a lot of cakes were baked. My estimate is over 100 cakes. On the morning of the Y5/Y6 bake sale Miss Morton said "I don't know where to look they all are so amazing." Speaking of amazing everyone did a great job - all the cakes were out of this world but after very hard consideration the winner of the bake sale contest was Aston from Mrs Bullock's class in Y6. He made an amazing chocolate cake that went almost instantly! When the Y3/Y4 bake sale was on there were so many cakes left over from the Y3 sale that we didn't actually have enough room to cut up most of the Y4 cakes! Everyone should be so proud.

Easter Fun

On Tuesday 5th April the Easter bonnet competition was held and we can all say the ideas were very creative! The winners were all extremely happy to receive the news that they had won! Our school councillors, as for all of the Easter activities, loved helping out with this competition. By Ava

Easter Egg Design Competition

We held another competition this term, this time to design an Easter Egg! Pupils were invited to bring in 50p and all the money raised is to be sent to our charity for this year-the Alice Charity. Look at how happy the winners look! Their designs were amazing! Thank you so much to everyone who took part. You are all so creative.

Mental Health Ambassadors

Who are the mental health ambassadors?
The mental health ambassadors are the members of the school council and we are here to promote how to stay mentally healthy. We wear a green badge so if your child needs someone to speak to they know who to come to. The badge says "I've got time to talk." We hope we help your child be aware of mental health and that everybody has up and down days. This week we (Harry, Emily and Evie) have done an assembly about who we are and what we do as mental health ambassadors. We shared this assembly with Key Stage 1 and after Easter will be sharing with KS2. We hope your child knows it is ok to have down days sometimes. Have a nice Easter. By Emily and Harry
