Coronation Celebrations

Today we celebrated the coronation of His Majesty King Charles III. We invited pupils to come into school wearing red white and blue non-uniform. We have learnt about the history of the royal family and what to expect during the coronation. We then got creative and our EYFS pupils created stamps, Y1 have made crowns whilst Y2 made Westminster Abbey and Eton Mess. Y3 designed tissue paper flags whilst Y4 made shiny carriages. Y5 have made a collage of the King's Head and designed their own 'Best of British' flag. At lunchtime, all pupils had a picnic style lunch in the hall and in the afternoon, those who made crowns at home took part in our Royal parade. Everyone has had a wonderful day celebrating this historic event. We hope that everyone has a lovely, long weekend.

The Tony Hughes medal for 'Thoughtfulness and Respect' awarded each week to a child in every class.

Good Luck Y6!

Next week, our Y6 pupils will be sitting their SATs. They have worked incredibly hard and should be very proud of themselves. The tests next week are standard assessments and all Y6 pupils across the country will receive the same questions. Whilst they test your reading ability and mental maths knowledge, they don't show what a fantastic footballer you are, that you would make an amazing actor/actress or have an excellent bowling arm for cricket. They don't reflect that you are thoughtful, kind and caring and are a great friend to your peers. No matter what Y6, remember that we are proud of you. Not because you know how to answer a SATs question, but just because you're you.

Weekly Maths Challenge 2

The Imperial State Crown is adorned with 2,868 diamonds, 17 sapphires, 4 rubies, 11 emeralds and 269 pearls. How many jewels are on the Imperial State Crown?

Weekly Maths Challenge 1

His Majesty King Charles III will leave Buckingham Palace and travel 12 miles down Pall Mall, he will then travel 5 miles around Trafalgar Square and finally 7 miles to Westminster Abbey. How many km will he travel in total?
