Lumio Showcase

On Tuesday morning, Sandford Hill hosted a Lumio Showcase, supported by Mark Hartwright to show Teachers/ Headteachers from other schools across the city just how effective Lumio can be in the classroom. Lumio is a software that helps the children to learn through different game-based activities on their iPads within lessons. We asked our digital experts to come along to offer their advice and guidance to those in attendance. Thank you to **Ella-Louise B, Billy D, James M, Michael S, Tilly H, Daniel I, Jessica W, Mconnel B, Dominic M, Jayden B and Evelyn L** for helping at the showcase, you did an amazing job and we were so proud of your confident communication skills.

EYFS Sports Day 2023

Next week will be the first of our sports days starting with EYFS. The gates will open at 10:00am and seating will be available on the field. The children will take part in multiple challenges including sack race, egg and spoon race and a sprint. Warm weather is predicted so please ensure your child has a sun hat and that sun cream is applied to your child before they come to school. The children will need to arrive at school in their P.E kit (sporty clothes for Nursery) and will also need a water bottle clearly labelled with their name.

Y6 trip to Jerivs Bowers Hall Farm

This week, the Y6 children went to Jervis Bowers Hall Farm to learn about how digital technology has developed over the years in the farming industry. The children were able to pet the lambs and feed the pigs. They then went on to visit the calves, some even born on the day that we visited. They learnt how technology can help with feeding as each calf has a reader so that they receive the correct amount of food. We then went onto see the silage and where all of the products harvested from the farm are stored. Lastly, we visited the milking parlour and saw the cows being milked. It was amazing to see multiple uses for technology being used throughout the farm. The children were extremely enthusiastic during the trips and asked some excellent questions. We're sure that there will be lots of enthusiastic engineers leaving Sandford Hill at the end of Year 6! A huge thanks to Farmer Will, Katie and all of the staff on the farm for a fantastic visit!

The Tony Hughes medal for 'Thoughtfulness and Respect' awarded each week to a child in every class.

Parent Notices

- **Weather** —Next week due to the warm weather we ask that you ensure your child comes to school with a drink everyday, brings a hat and has sun cream applied before coming to school. If they would like to bring sun cream in to reapply, please make sure it is labelled with their name. A reminder that pupils are also welcome to wear their school PE kit instead of their uniform on warmer days. Please see the following link for NHS tips on how to stay well during the hot weather. <https://www.nhs.uk/live-well/>
